LA QUATRIEME EXPEDITION 1969

En février c'est le départ avec Peggy pour Dakar, dès son arrivée il s'occupe d'obtenir une licence, ce sera 6W/W4BPD il fera beaucoup de contacts.

Direction la Gambie, en voiture, le chauffeur ne parlait pas anglais, la poussière de la route les recouvraient et pour franchir la rivière ils devront attendre le lendemain pour le ferry.

A l'arrivée, Gus, trouve un hôtel avec plusieurs étages pour installer ses antennes, la licence obtenue il va être ZD3A.
